Who are we?

Engage Leeds is a city wide housing support service provided to anyone 18+ years and living in Leeds. We have a small team within Engage Leeds dedicated to supporting adults with housing needs that experience memory problems.

We can support you to:

- Reduce the risk of becoming homeless
- Find more suitable accommodation
- Maximise your income and help you apply for benefits
- Register with services such as GP, dentist, utility providers
- Liaise with other services such as GPs, memory nurses, advocate on your behalf and support you with appointments
- Maintain your independence, health and well-being
- Reduce isolation and loneliness by accessing community services
